The boy is sitting. The dog is lying.

SIMPLE SENTENCES WITH PRESENT CONTINUOUS

Dette bingospillet inngår i et større materiale som består av et memoryspill, to bingospill og fire arbeidsbøker.

Arbeidsgangen, slik jeg har tenkt meg den:

1. Presentasjon av de utvalgte begrep/ord.
2. Memory og Bingo 1.
3. Arbeidsbok 1, 2 og 3.
4. Bingo 2.
5. Arbeidsbok 4, som kan brukes som diagnostisk prøve.

BINGO 2.

For å kunne spille dette bingospillet må elevene være ganske sikre i å gjenkjenne begrepene og meningene. Det gjelder da fort å kunne se om en har rett substantiv i kombinasjon med rett verb på spilleplaten.

En forøving kan være bare å legge rett billedkort på spilleplaten uten å konkurrere.
